My very dear Dr. Lenny and staff,

Greetings from Sr. Kalpana Pereira. This comes to thank you and also give my testimony after taking the EMRT treatment.

I Sister Kalpana Pereira, belong to the Congregation of the Daughters of the Cross, Mumbai Province. My age 71 & I was going through severe pain in my knees so much so that I could not take one step forward. I heard from my 2 nuns (Sisters) about this treatment and how they feel. I started taking the same treatment. It is 9 days treatment after 3 or 4 sittings I started feeling much much better and now I could walk.

I thank God for using Dr. Lenny as an instrument and healer for all those suffer from this pain.

I want to praise and thank God for Dr. Lenny, Staff and all his helpers. They are very good and support.
God bless you.

Much love,
Sr. Kalpana Pereira.
